

Commencing January 1, 2025, all travelers arriving in Israel will be obligated to fill out the ETA-IL travel arrival form.

This form is intended for all travelers who are exempt from obtaining a visa before entering Israel, generally speaking, North American, European and Australian passport holders.

This protocol has been introduced in a number of countries over the past few years and is intended to facilitate entry upon arrival in the participating countries.

The ETA-IL (Easy Travel Approval) is valid for 2 years and up to 90 days per stay. The cost is NIS 25 (approximately \$7) to be paid online and will not be refunded in case of cancellations.

The form has to be filled out by the traveler personally and not by the agent or tour organizer.
